

## FIELD TRIP PERMISSION FORM

Field Trips are one of the most powerful learning experiences we offer at City Kids. We take full advantage of the rich culture and diversity of the City of Los Angeles by exploring the limitless learning opportunities found throughout the city. Most of our students, starting at around the age of 3 ½, participate in field trip studies and events once or more each week taking place in and around the city. Field Trips include visits to museums, art galleries, children’s theatre, concerts, parks, libraries, animal sanctuaries, and so much more. By participating in this program, your child will be given a tremendous opportunity to learn about the world around him/her as a deeply personal experience.

### ACKNOWLEDGEMENT

I acknowledge that my child will participate in numerous field trips throughout the year starting at around the age of 3 ½. I understand and accept that my child will be transported by both CKLA-owned vehicles and by Los Angeles Metro buses and trains under the supervision and guidance of CKLA staff. CKLA will provide all necessary safety measures such as safety compliant car seats and walking ropes, and that CKLA ensures the safety of my child during the transportation and attendance of all field trips held off-site from the CKLA campus.

By signing below, I acknowledge and allow my child to participate in age-appropriate field trips sponsored by CKLA, and I accept the responsibility to properly prepare my child for all field trips to include proper attire for the day. I agree to be consistently aware of all up-coming field trips posted on the CKLA online calendar and understand it is my responsibility to make sure that my child arrives at the CKLA campus on time before any field trip departure. CKLA agrees to notify me via Brightwheel if there are any changes with times or locations.
