

LIVE ANIMAL ACKNOWLEDGEMENT

City Kids LA frequently brings the experience of interaction with live animals to our young students. This is recognized as a wonderful opportunity to teach about the care and treatment of animals as well as respect for all living creatures.

ACKNOWLEDGEMENT

I acknowledge that interacting with live animals is an educational experience, and I am giving my child permission to interact with live animals while enrolled at City Kids Los Angeles (hereafter referred to as "CKLA") and my child has no known allergies of animals. I hereby voluntarily assume the risks associated with my child attending CKLA in relation to animals that may be present daily at the facility or while on a CKLA-sponsored field trip, and I assume the risks related to their presence including but not limited to the possibility of scratches, allergic reactions, or possible bites.

While CKLA takes every reasonable precaution to ensure that all children in their care are safe, I recognize that incidents may happen whenever animals and humans socialize together.

Child's Name: _____
